No.AHE.388/2017/PV 6

Dated Dispur, the 23rd May, 2017

OFFICE MEMORANDUM

Sub. : Ban on Private Tutuon by College teachers and their engagement in Private Educational Institutions.

The Government in Higher Education Department is in receipt of information about College teachers who are substantively holding posts in Provincialized and Government Degree Colleges and yet participating in Private Tutuon Centres / Coaching Centres. Such participation in Private Tutuons hampers Class Room Teaching by Teachers in Institutes where they are substantively appointed. Further, this trend spreads a sense of insucurity amongst College Students where they tend to believe that they would not be able to do well unless they too take Private Tutuons. This also results in disparity amongst students and impairs the set goal of equity and access to Higher Studies. This trend has led to skipping of regular classes by many students and has resulted in decreasing attendance in regular classes.

As such Private Organized Tutuons by the college teachers or participation in any such Private Coaching Centres / Tutuon Houses by any regular teacher of Provincialized and Government Degree Colleges is hereby banned. Departmental action will be taken against any teacher found participating in any Private Tutuon House / Coaching Centre at any time of the day.

This direction will not be attracted if a teacher calls students at home for special remedial teaching where number of such student in a batch is less than four.

Further, no teacher employed substantively in any Government or Provincialised College will associate in any capacity with any private Educational Institution either in Managing Bodies or class room teaching hence forth, as it has hampered in contribution of the teacher to the Government Institute where he is substantively appointed and drawing his salary from.
