**GOVERNMENT OF ASSAM  
OFFICE OF THE DIRECTOR OF HIGHER EDUCATION, ASSAM  
KAHILIPARA GUWAHATI**

No. PC /HE/Plan /24/2012/117

Dated. 7/6/2017

To,

Principals of All Provincialised Colleges in Assam

Sub; - Clarification on uploading of Notice on Uniform Fee Structure

Information received from various Principals of Colleges that confusion persists on the Notice that was uploaded in our website on 20/5/2017

It is clarified that the Uniform Fee Structure uploaded is only the recommendation of the Committee Constituted for suggesting Uniform Fee Structure. Govt. has to approve the recommendation before it is notified or implemented. No approval has been received as yet. As per direction of Government, the recommended rates have been uploaded in our website inviting your views only. After receipt of views we will again submit it to Govt. seeking approval.

As such it is only a draft recommendation and not yet approved and hence the Notice should not be treated as notification. Colleges are to levy and realize fees as per their fee structure of last year (without any enhancement in the current year) for students having more than 1.00 Lac parental income per annum. The Scheme and OM for waiver of fees is, however, to be implemented in letter and spirit.

  
Director of Higher Education.
