

## **Guidelines for Commissioning and installation of Free Wi-Fi in Colleges.**

Internet and Education has become inseparable now a days. The Govt. of Assam is contemplating from some time past to provide assistance to colleges for installing free Wi-Fi. This scheme has been undertaken to felicitate our students to have access to e-books, journals and online lesson, instructions sitting in libraries.

The Government in the Higher Education Department has sanctioned Rs. 150.50 Lacs for installation and connectivity of free wi-fi in Colleges. For this, each numbering 301 are being provided Rs. 50,000.00 (Rupees Fifty Thousand) Each for implementation of the Scheme.

The College will install the Wi-Fi in 1) Principals Room 2) Library and Teachers Common Room.

For this the Colleges will invite quotations from reputed firms dealing with IT through wide publicity and will choose a connectivity from a vendor preferably BSNL. Where BSNL does not provide net connectivity other vendor for net can be selected.

The installation part can be assigned to a reputed and experienced vendor through inviting quotations stating the need of the college. This is a onetime grant, no other expenditure will be provided under the scheme.

The Colleges will submit UC of the amount in due course.
