Dated 27 July, 2016

No. OI-18014/11/2015-DS

Dear

The Ministry of External Affairs has initiated the process of Registration of Indian Students who are studying abroad, in order to compile data about the Indian students studying in various countries so that the Government is able to advise them in the hours of need. The Students Registration Module has been placed within Ministry's MADAD portal (the Consular Services Management System).

B. Banerjee
06/08/16

2. Data entered into this module in a voluntary manner by the Indian Students abroad will provide useful inputs about the pattern of migration of Indian students globally, educational courses that they are registering in and related matters.
3. We request the State Governments to widely publicise the Students Registration module through a press release, social media platforms and urge the students to register themselves in this module. In the subsequent weeks the module will be expanded to include country specific advisories for Indian students; links to Facebook pages of Indian Associations and Indian Student Associations; links carrying information on accredited educational institutions in various countries etc.
4. We look forward to your cooperation and assistance in promoting the Students Registration Module.

Yours sincerely

(Dnyaneshwar M. Mulay)
