Dear, *Himanta Sarma*

I am writing this to you after our Chief Minister having written to the Chief Minister of your state regarding **National Teachers' Congress (NTC)**. For the first time in the country, it is being organized under the aegis of MAEER's MIT School of Government, Pune, with the active support of **Government of Maharashtra, AICTE, Association of Indian Universities (AIU), Maharashtra State Principal's Forum** and **UNESCO Chair of Human Rights, Democracy, Peace & Tolerance, Pune** are also supporting this endeavor. The Congress will take place on **23rd, 24th & 25th September 2016** at MAEER's MIT campus, Kothrud, Pune.

Above 8000 spirited teachers (below 50 years) from under graduate and post graduate colleges of all streams and discipline, from across the country, will participate at the Congress. A number of eminent personalities will interact with the teachers in different academic sessions spanning over 3 days. The objective is to bring dynamism, creativity and visionary outlook in the teachers by facilitating exchange and dissemination of ideas and best practices through interaction with peers and thought leaders from all walks of life.

In view of the neutrality of the platform, apolitical purpose and academic nature of this endeavor, I felt like reaching out to you and to make a sincere appeal that through your Good Offices, kindly issue a communique to the Vice Chancellors/Principals of your state to participate at the said Congress and take its rich benefit.

Respected Shri Sonwalji

I am happy to share with you that 1st National Teachers Congress (NTC) is being organized on September 23, 24 & 25, 2016 in Pune, Maharashtra. This has been initiated with active support of Government of Maharashtra, with myself taking keen interest due to the impact it can have on teaching fraternity and society at large.

The National Teachers' Congress (NTC) has been conceptualized to inspire the teaching community of under-graduate and post-graduate colleges from across the nation. For the very first time in the country, 8000 teachers from all parts of India, will gather at one platform and will be exposed to extensive deliberations and dialogue of 3 days.

We aim to re-ignite the spirit of Teachers so that they continue to look beyond the commercial temptations. We will reinstate their vital role in building India's future and will encourage them to participate in laying the vision for future educational reforms.

In the spirit of neutrality of the platform and apolitical intent and nature of this endeavor, it is my sincere appeal to you to encourage spirited teachers from your state to take benefit from participation at the Congress. I am sure that will lead to their own intellectual enrichment and personality development.

For further information or clarification the Founder & Chief Convener of the platform, Shri. Rahul V. Karad can be directly contacted on 9881721353, 8888815421/22/24/25 and on email info@nationalteacherscongress.com. The website www.nationalteachers.com can also be referred for detailed information.
